updated 7.14

Class 29 Calendar of Sessions 2014-2015

Programs typically commence with group check-ins and dinner on Thursday evenings and extend into all day Friday. Depending on where Fellows reside and where sessions are held, travel distances to monthly seminar meetings usually necessitate an overnight stay the evening before the scheduled seminar. Though expenses incurred for travel and accommodations for overnight stays are the individual responsibility of Fellows, ALF will make every effort to reduce hotel costs by arranging for home hospitality with current class members and/or with ALF Senior Fellows when possible.
